

THE GOVERNMENT OF THE PHILIPPINE ISLANDS,  
EXECUTIVE BUREAU.

MANILA, *December 1, 1913.*

EXECUTIVE ORDER }  
No. 103. }

For the future, the executive authority given by the law to permit, in certain cases, Government employees to engage in private business outside of their official duties, will not be favorably exercised except under most exceptional circumstances. It is not intended by this that all employees of the Government who have engaged in private business under executive permission conferred in accordance with the law should sever their connection with such business enterprises; any such cases would be considered for revocation of the permission already extended only where such business activities impair the efficiency of the Government employee during his official work, tend to influence improperly his official actions, secure to him any unfair advantage in connection with his official position, or otherwise bring discredit upon the Government. On the other hand, it should be understood that for the future such business employment outside of official life is considered to affect unfavorably the capacity of the employee to perform the Government services for which he is drawing his salary; his entire time and strength is due to the Government even though he may be called upon to give such time and strength outside of office hours.

No employee will be allowed to take any part in the management of any business or engage in outside clerical or sedentary employment or any profession or employment which would bring him into competition with professional or business men, and permission to accept employment will as a rule be limited to that involving outdoor labor which would better the physical condition of the employee and to teaching engineering, stenography, and such other branches as would be of benefit to the Government or the community, the time to be devoted to this teaching not to exceed that prescribed for the Government night schools (one and one half hours daily).

Permission for all investments made in the Philippine Islands must be obtained from the Governor-General or proper Secretary of Department. No request will be approved to make any investment which might bring the employee's private interests into real or apparent conflict with his public duties or in any way influence him in the discharge of his duties, or to make any investment which might interest the employee in an undertaking with which his public duty is con-

nected or which might cause criticism of the Government or the employee. Employees shall not obtain concessions from the Government or own stock in companies holding concessions.

Loans from subordinates to superiors and loans on personal security are absolutely prohibited. Loans on real estate with interest at 10 per cent per annum or less will usually be approved under proper conditions.

Any violation of the provisions of this order or acceptance of employment or making investments or loans without the required permission will be sufficient cause for removal from the service.

FRANCIS BURTON HARRISON,  
*Governor-General.*
